

# Unclassified Administrative Expenses - Division of Solid Waste General Fund Programs

## Mission

To provide funding support for the elimination of unsanitary conditions that present a hazard to the environment and to the health, safety, and welfare of County citizens.

## Focus

The General Fund provides funding to operate the Community Cleanup Program, Court/Board-directed Cleanups, the Health Department Referral Program and the Eviction Program.

The Division of Solid Waste Collection and Recycling (DSWCR) through Fund 109, Refuse Collection and Recycling Operations, provides equipment and personnel for program operations. The Community Cleanup Program supports community and civic associations' efforts to enhance and maintain the appearance of neighborhoods and the environment. In addition, the agency will eliminate hazardous conditions identified by the Fairfax County Courts, the Fairfax County Board of Supervisors, the Fairfax County Health Department and the Fairfax County Sheriff's Office with regards to evictions.

All charges incurred by Fund 109 for providing collection and disposal services for these programs are billed to the General Fund. The overall cost to the General Fund is reduced by the cleanup fees recovered from property owners for cleanup work performed on their property at the direction of the Health Department or the County Courts. The recovered funds are returned to the General Fund.

Agency accomplishments, new initiatives and performance measures are done at a program-wide level. Please refer to the Solid Waste Management Program Overview in Volume 2 of the FY 2005 Advertised Budget Plan for those items.
